

## 2010 KHA QUALITY AWARD

Providing the highest quality of care to our patients is every hospital's primary mission. **The KHA Quality Award, Honoring Leadership and Innovation in Patient Care Quality, Safety, and Commitment**, was created in 2006 to honor and spotlight those hospitals excelling in patient safety and quality efforts. This year, 21 hospitals from across the state submitted outstanding applications this year. These four hospitals demonstrated not only a commitment to patient safety, but their commitment to going above and beyond what is expected for providing innovation in quality care.

1. The 2010 recipient of the KHA Quality Award in the Critical Access Hospital Category is **Marcum and Wallace Memorial Hospital**
2. The recipient in the under 100 beds category is **Rockcastle Hospital**
3. The recipient in the 100 to 250 beds category is **Ephraim McDowell Regional Medical Center**
4. The recipient in the greater than 250 beds category is **Trover Health System**
