

Outpatient Antibiotic Stewardship in Kentucky

One-hour Virtual Continuing Education Program

February 2, 2022 - 11:00 a.m. ET

Join us for this free, one-hour virtual continuing education program that will discuss the current state of antibiotic prescribing in Kentucky and opportunities to combat the growing public health crisis of antimicrobial resistance.

Intended Audience:

Primary care providers, pharmacists, antimicrobial stewardship clinicians, healthcare leadership, public health officials, and more! If you received this email via listserv and are part of a larger network, please consider forwarding to outpatient leadership and practitioners in your organization.

Learning Objectives:

1. Summarize the importance and structure of an outpatient antibiotic stewardship program
2. Evaluate Kentucky outpatient antibiotic prescribing metrics
3. Discuss key steps in implementing outpatient antibiotic stewardship initiatives within your organization

Speaker:

BETHANY WATTLES, PHARM.D, MHA

Dr. Wattles is a clinical pharmacist and Assistant Professor of Pediatrics within the University of Louisville School of Medicine, Child and Adolescent Health Research Design and Support Unit (CAHRDS). Dr. Wattles leads the state-wide Kentucky Antibiotic Awareness campaign, and conducts research and quality improvement projects to improve medication use in children.

This event is provided by Kentucky Hospital Association, Kentucky Hospital Research and Education Foundation, Kentucky Antibiotic Awareness campaign (supported by University of Louisville School of Medicine and the Department for Medicaid Services) and is certified by AXIS Medical Education for continuing education credits.

Outpatient Antibiotic Stewardship in Kentucky

This educational activity is jointly provided by AXIS Medical Education and Kentucky Hospital Association

WHEN: February 2, 2022

WHERE: Webinar, 11:00 am-12:00 pm ET

TARGET AUDIENCE: This webinar is being offered free of charge to physicians, nurses, pharmacists, and other quality improvement leaders.

WHAT: Dr. Bethany Wattles will present an educational webinar to outpatient/ambulatory providers across the state of Kentucky. The webinar will focus on outpatient efforts to improve antibiotic stewardship. The CDC core elements for antibiotic stewardship will be discussed and education provided on how to successfully implement and improve stewardship efforts currently in practice.

LEARNING OBJECTIVES:

1. Summarize the importance and structure of an outpatient antibiotic stewardship program
2. Evaluate Kentucky outpatient antibiotic prescribing metrics
3. List key steps in implementing outpatient antibiotic stewardship initiatives within their organization

INSTRUCTORS:

Disclosure of Conflicts of Interest

AXIS Medical Education requires faculty, instructors, authors, planners, directors, managers, reviewers and other individuals who are in a position to control the content of this activity to disclose all real or apparent conflicts of interest they may have with ineligible companies. An ineligible entity is any organization whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. All relevant conflicts of interest are identified and mitigated prior to initiation of the planning phase for an activity.

AXIS has mitigated and disclosed to learners all relevant conflicts of interest disclosed by staff, planners, faculty/authors, peer reviewers, or others in control of content for this activity. Disclosure of a relationship is not intended to suggest or condone bias in any presentation but is made to provide participants with information that might be of potential importance to their evaluation of a presentation or activity. Disclosure information for faculty, authors, course directors, planners, peer reviewers, and/or relevant staff is provided with this activity.

The faculty, Bethany Wattles, PharmD, MHA, reports that she has received research grants from Merck Investigator Studies Program in any amount during the past 24 months.

The **directors, planners, managers and reviewers** reported the following financial relationships they have with any ineligible company of any amount during the past 24 months:

Name of Planner/Manager	Reported Financial Relationship
-------------------------	---------------------------------

Melanie Moch	Nothing to disclose
Sharon Perkins	Nothing to disclose
Emily C. Henderson, PharmD, LDE	Nothing to disclose
Ronald Viggiani, MD	Nothing to disclose
Holly M. Hampe, D.Sc., RN, MHA, MRM	Nothing to disclose
Dee Morgillo, MEd., MT(ASCP), CHCP	Nothing to disclose

Disclaimer

Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed in this activity should not be used by clinicians without evaluation of patient conditions and possible contraindications on dangers in use, review of any applicable manufacturer’s product information, and comparison with recommendations of other authorities.

Disclosure of Unlabeled Use

This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. The planners of this activity do not recommend the use of any agent outside of the labeled indications. The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of the planners. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

Requirements for credit:

- Attend/participate in the educational activity and review all course materials.
- Complete the CE Declaration form online by 11:59 pm ET on March 2, 2022. Instructions will be provided. If you do not enter the online portal by the above date, you will not be able to retrieve your statement of participation.
- Upon successful completion of the online form, your statement of completion will be presented to you to print. Pharmacists: your record will be automatically uploaded to CPENMonitor.
