Kentucky Hospital Association Positions At-a-Glance

SUPPORT: Full forgiveness of accelerated payments under Medicare.

SUPPORT: Additional revenues for the Provider Relief Fund and require a distribution of funds based on the number of days elective procedures were prohibited by state order and based on the number of staffed beds.

SUPPORT: Continued access to the federal 340B drug program as contained in S.4160.

SUPPORT: The Majority Leader's Liability Protection for Hospitals and Health Care Providers.

SUPPORT: Temporary increase in FMAP to off-set costs due to the dramatic rise in Medicaid enrollees.

OPPOSE: Surprise billing legislation.

OPPOSE: Inclusion of unrelated Medicare wage index changes to benefit selected states – Reinstating Rural wage index floors in all urban states and reclassifications for New York, i.e replay of the Bay State Boondoggle.

NOTE: Rationales and supporting information are provided in the longer documents accompanying this one-pager. As always, KHA is available as a resource for further information on any of these topics.
