

Patients over Profits

AffirmedRx is on a mission to improve health care outcomes by bringing clarity, integrity and trust to pharmacy benefit management. We are committed to making pharmacy benefits easy to understand, straightforward to access and always in the best interest of employers and the lives they impact. We accomplish this by bringing total clarity to business practices, leading with a clinical approach and utilizing state-of-the-art technology.

We promise to do what's right. Always.

AffirmedRx is

A Public Benefit Corporation or PBC

Helping large employers make pharmacy benefits simple for their employees

A full-service PBM

Committed to giving you transparency, data access and intuitive technology with an intelligent care-driven platform

Focused on personalized care and compassionate navigation

Creating efficiencies that lower health care spending

Increasing member access to quality health care

Every year
pharmacy costs
go up

and health
outcomes go
down

Traditional PBMs have proven they will not solve the current problems in the industry

Their results speak for themselves:

- 125k preventable deaths due to medication non-adherence
- Lack of full transparency
- Vertical integration
- Focus on profits
- GPO creation

Why AffirmedRx

Modern, flexible technology

Focus on your employees first,
impacting employee retention

Frustration free patient experience

Ownership of data with instant,
actionable analysis

Full transparency

Cost and member satisfaction
guarantees

.... all for one, low admin cost, with NO
additional fees - WE PROMISE!
