

The Qualivis Advantage

Qualivis is a national provider of accountable workforce solutions delivered in partnership with state hospital and healthcare associations. We work closely to earn their endorsement as a valued member service, which assures hospitals that we have been thoroughly vetted for quality, responsiveness and cost-effectiveness.

Accountable Workforce Solutions

Qualivis drives accountability and economic stewardship to ensure continuity of patient care for our healthcare clients. We simplify the staffing process by offering one contract and one point of contact to fill a wide spectrum of clinical and non-clinical positions. With our extensive supplier network of national, regional, local and specialty providers, we ensure accountable fulfillment tailored to meet your needs.

As your strategic partner in workforce management, we collaborate with your team to develop a customized, scalable workforce management program driven by real-time data and market trends. All Qualivis services and solutions create efficiencies, increase savings, mitigate risk and improve quality.

In a time of increased pressures, we understand your needs and provide customized solutions.
