

KHAPAC: *The Political Action Committee for Kentucky's Hospitals*

2024 FUNDRAISING CAMPAIGN

Contributing to the KHAPAC helps spread the hospital message to Kentucky's legislators in Frankfort and Washington. The PAC helps educate lawmakers on the ways their legislation impacts hospitals' ability to provide quality patient care to all Kentuckians, so your contribution is critical to sharing that knowledge.

When hospitals speak with **ONE Powerful Voice**, the impact makes a profound difference!
