

MCAG

Simplifies the Process

MCAG is an expert at identifying and recovering non-traditional high margin revenue for all types of organizations from class action settlements. They have experience and credibility in getting the most for your claim with the least effort on your part, so that you can continue to focus on your business. Via their vast database, MCAG has the unique ability to construct optimal claims when limited information is supplied by clients. They provide excellent service and dedicated account management. MCAG clients have received hundreds of millions of dollars from settlement funds via our Settlement Recovery Services (SRS).
