

ENVIRONMENT OF CARE CONFERENCE: The Bridge Between All Disciplines

October 21, 2024 | 8:00 a.m. - 4:00 p.m. ET

Holiday Inn Louisville East | 1325 S. Hurstbourne Parkway | Louisville, KY 40224

Overview - Enjoy a full day of interactive learning and engage with subject matter experts regarding the key topics hospital safety, emergency management, quality, clinical, and environment of care leaders must face every day.

Presentations will include cutting-edge information on how to achieve continual environment of care (EOC) and life safety survey readiness, ways to employ practical approaches to executing efficient and effective tabletop drills, and tips for using innovative methods of engaging non-clinical care teams in infection prevention and environmental safety to maximize the impact of working with a full team of people who are dedicated to patient care!

Continuing Education

• American College of Healthcare Executives (ACHE) Qualified

By attending the Environment of Care Conference offered by the Kentucky Hospital Research and Education Foundation (KHREF), participants may earn up to 4 ACHE Qualifying Education Hours toward initial certification or recertification of the Fellow of the American College of Healthcare Executives (FACHE) designation.

• Kentucky Board of Nursing

The Kentucky Hospital Research and Education Foundation is an approved Kentucky Board of Nursing continuing education provider. **This offering number 5-0023-12-25-009 is approved for 4.8 contact hours. Participants must attend the entire session, complete the post-session evaluation, and provide nursing license number in order to receive contact hours and be awarded a certificate. No partial credit will be given.** The Kentucky Board of Nursing approval does not constitute endorsement of program content.

Special Needs

KHA wishes to take all steps necessary to ensure no individual with a disability is excluded, denied services, segregated, or otherwise treated differently than other individuals because of the absence of auxiliary aids and services. If you need any such assistance or services, please contact KHA at 502-426-6220.
