

Q3 - 2025

This quarterly update provides insight into current and pending class actions that could benefit your organization. As your revenue recovery advisor, our mission is to research and monitor class action suits, then notify your organization if any action is required on your part to submit your claim. Our team is always available to discuss current, past and future settlements - and what they might mean for your business. We are proud to serve as your settlement navigator and welcome your questions and comments. To help us monitor the settlement space, please send any settlement notices or solicitations you received (from any source) to MCAG for review and analysis.

New Settlement Alert: Discover Settlement Approved–Deadline Announced

The Discover Card Settlement has officially been approved, and the filing deadline is set for **May 18, 2026**.

This settlement addresses allegations that **Discover misclassified certain consumer credit card transactions as commercial between January 1, 2007, and December 31, 2023**—resulting in potentially inflated interchange fees for End Merchants, Acquirers, and Payment Intermediaries.

Because you're already enrolled in **MCAG's All Settlements Service**, you're in a strong position to benefit—as long as you meet the eligibility requirements.

Now is the time to confirm your data is up to date and ensure we have everything we need to file on your behalf.

As always, **MCAG will manage the paperwork, filing process, and deadlines**. You get the recovery—without lifting a finger.
