

Q1 - 2026

This quarterly update provides insight into current and pending class actions that could benefit your organization. As your revenue recovery advisor, our mission is to research and monitor class action suits, then notify your organization if any action is required on your part to submit your claim. Our team is always available to discuss current, past and future settlements – and what they might mean for your business. We are proud to serve as your settlement navigator and welcome your questions and comments. To help us monitor the settlement space, please send any settlement notices or solicitations you received (from any source) to MCAG for review and analysis.

NEW SETTLEMENT ALERT:

DISCOVER SETTLEMENT APPROVED—DEADLINE ANNOUNCED

The Discover Card Settlement has been approved, with a filing deadline of May 18, 2026.

This settlement addresses claims that **Discover misclassified certain consumer credit card transactions as commercial between January 1, 2007, and December 31, 2023**—potentially inflating interchange fees for End Merchants, Acquirers, and Payment Intermediaries.

Also applicable to merchants, the \$231.7 million Fraud Liability Shift settlement with Visa, Mastercard, Discover, and Amex has received preliminary approval. The settlement resolves claims that the card networks improperly shifted liability for fraudulent EMV chip-card transactions onto merchants. A filing deadline has not yet been established—**stay tuned for updates on the claims process**.

Because you're already enrolled in MCAG's All Settlements Service, you're well-positioned to benefit—if you meet eligibility requirements. Now's the time to confirm your data is current so we can file on your behalf. As always, MCAG will manage the paperwork, filing process, and deadlines—no effort required on your part.
