

Your Mission Deserves More Than Staffing

Total solution for workforce optimization, strategy and hiring.

Qualivis helps healthcare organizations strategically close immediate staffing gaps and build a stronger workforce for the future. With customized workforce solutions and the broadest access to qualified talent, our tech-enabled approach reduces your administrative burden, helps lower costs and places the right staff, in the right place, at the right time — all so you can stay focused on your team and patients.

Built around your vision

We don't hand you a generic solution. Our client delivery teams collaborate with your team to build a workforce plan that meets your goals — now and as you grow.

Stronger together

In partnership with 28 state hospital associations, we deliver solutions that adapt to market shifts and your changing needs. With a 98.5% clinical match score, our clinicians bring the right skills to the right roles.

Data that drives results

With access to the industry's largest dataset, our members gain real-time analytics that reveal cost-saving opportunities, improve fill rates and guide smarter staffing decisions.

Proven value, real impact

Qualivis proudly holds a member retention rate of 98%, highlighting how members continue to work with us to achieve their goals. We have also achieved a Net Promoter Score of 73 — a world-class rating which reflects our members' exceptional satisfaction and trust in our services.

Case study

Unprecedented visibility with real-time insights

Learn how LotusOne gave Adventist HealthCare instant access to contract labor rates, market trends, and fulfillment data — all in one place.
