History

The Kentucky Hospital Association (KHA), established in 1929, represents hospitals, related health care organizations, and integrated health care systems dedicated to sustaining and improving the health status of the citizens of Kentucky.

Mission

The Kentucky Hospital Association will be the leading voice for Kentucky health systems in improving the health of our communities.

Vision

To transform the health landscape to make high quality care more affordable and accessible for the people of Kentucky.

Values

KHA and its staff are committed to its core values.

Vision - continually planning for the future with imagination and wisdom.

Responsiveness - providing rapid response to the needs of our members and colleagues.

Adaptability - adapting to evolving challenges with flexibility.

Integrity - uniting in our dedication to honesty, transparency and respect.

Passion - working every day to fulfill our mission with energy, enthusiasm and perseverance.
